Bill Zilio Spirit Award

From time to time local unions are presented with opportunities to adventure above and beyond the normal call of duty. Whether your local union has collectively assisted a family in their time of need or have assisted a local community organization, we want to hear from you!

We all have special talents and skills and when we get that opportunity to help others, we help our community.

The Bill Zilio Labour Spirit Award will be presented to a local union who has demonstrated this form of compassion for a better community for one and for all.
