

BRIDGES POVERTY

out of

Bridges Out of Poverty is an internationally recognized workshop for professionals, business leaders and community members who want to have an impact on poverty reduction.

- ◆ **Gain** a deeper understanding of the challenges and strengths of people living in poverty
- ◆ **Explore** the hidden rules of poverty and how our access to resources impacts the way we see the world
- ◆ **Identify** ways to improve relationships and build a sustainable community where we can all live well

**Choose from either:
September 20 or 21, 2017**

**Club Lentina's
250 National Road, Chatham**

8:30 am to 3:30 pm

\$100/person
