INDEPENDENT AUDITOR'S REPORT

The Board of Directors of United Way of Chatham Kent

I have audited the accompanying financial statements of United Way of Chatham-Kent which comprise the statement of financial position at as December 31, 2015 and the statements of operations, changes in net assets and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian Accounting Standards for Not-For-Profit Organizations and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance whether the financial statements are free of material misstatement.

An audit includes performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on my judgment, including assessments of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, I consider internal controls relevant to the entity's preparation and fair presentation in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Opinion

In my opinion, the financial statements present fairly, in all material respects, the financial position of United Way of Chatham-Kent as at December 31, 2015, and its financial performance and its cash flows for the year then ended in accordance with Canadian Accounting Standards for Not-For-Profit Organizations.

Notes to Financial Statements

Year ended December 31, 2015

United Way of Chatham-Kent ("United Way") is incorporated without share capital under the laws of Ontario. The Corporation's principal purpose is to develop teamwork among the social, philanthropic and charitable agencies servicing the community and their constituencies in the interest of the financial support of such agencies, and the effective planning and execution of the social service programs of this community. United Way's Mission Statement is "to improve lives and build community in Chatham-Kent". The Organization is a registered charity under The Income Tax Act

and accordingly is exempt from income taxes, provided certain requirements of The Income Tax Act

1. Significant accounting policies

are met.

These financial statements have been prepared by management in accordance with Canadian Accounting Standards for Not-For-Profit Organizations (ASNPO) accounting principles. The significant accounting policies are as follows:

(a) Revenue recognition

The United Way follows the deferral method of accounting for contributions. Unrestricted contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured. Externally restricted fund contributions other than endowment contributions are recognized as revenue in the year in which the related expenses are recognized.

Endowment contributions are recognized as direct increases in endowment net assets.

Restricted investment income is recognized as revenue in the year in which the related expenses are recognized. Unrestricted investment income is recognized as revenue when earned.

Grants are recognized as revenue as the service or program is provided.

(b) Capital assets

Capital assets are stated at cost. Amortization is provided in the declining balance method at the following annual rates:

Building 2.5% Equipment 20%

(c) Pledges receivable and allocations to participating agencies

Pledges receivable are recorded as an asset in the accounts, net of an allowance for uncollectible amounts. Since the funds to be distributed to the participating agencies in the following year are based on the expected realization of the current year's campaign pledges, the undistributed approved allocation to participating agencies is reflected in the balance sheet as a liability.

(d) Financial instruments classification

Cash is classified as held for trading. Investments are classified as held-to-maturity and are recorded at amortized cost. Pledges receivable, accrued interest receivable and other receivables have been classified as loans and receivables and are reported at amortized cost using effective interest method. Undistributed allocation to funded agencies, accounts payable and accrued liabilities, payable to other charities and mortgage payable have been classified as other and are reported at amortized cost using effective interest method.

1. Significant accounting policies (continued)

(e) Cash and cash equivalents

The United Way considers deposits in banks, and short-term investments with original maturities of three months or less as cash and cash equivalents.

(f) Contributed services

A substantial number of volunteers contribute a significant amount of their time each year. Because of the difficulty of determining the fair value, contributed services are not recognized in the financial statements.

(g) Use of estimates

The preparation of financial statements in accordance with Canadian Accounting Standards for Not-For-Profit Organizations requires United Way's management to make estimates and assumptions such as the useful life, amortization of assets and the allowance for doubtful pledges, that effect the reported amounts of certain assets and liabilities at the date of the financial statements and the reported amounts of certain revenue and expenses during the year. Actual results could differ from the United Way's best estimates as additional information becomes available in the future. These estimates and assumptions are reviewed periodically and, as adjustments become necessary, they are reported in the periods in which they become known.
